you will be glad to hear

That all has gone well & that

the season though very tired,

seems none the worse. We have

had a wonderful token in

Flouresce. It seemed like to write

that - but there is very little time

for letters. The 61 Flouresce shirt

P.M. N. schools 67 accepted

452 Heads came. We have to have

the meeting after all in the

Shire Hall - 60 extra at the

Will & alone 80 to the meeting.
Such enthusiasm among the teachers!
